**Contact Information**

Dear Parent or Guardian:

I look forward to working with you and your student this year. I hope that you will be checking your child’s grades online through ThinkWave.com. Your password will be sent home with the student within the first few weeks of class. I hope that you will take advantage of my website (<http://mrwyatt.com>) to keep up with class assignments and schedule in order to encourage your student to stay on top of our class work and assessments. Please email me at [rw Wyatt@wcpss.net](mailto:rw Wyatt@wcpss.net) should you have any questions or concerns. I do **not** regularly check emails through ThinkWave so please make sure to email me at the [rw Wyatt@wcpss.net](mailto:rw Wyatt@wcpss.net) address.

I, too, will be monitoring your student’s progress throughout the year. I ask that you would provide me with your phone number and email address(es) so that I can contact you if the need arises.

Thank you!

Mr. Wyatt
